EXPERIENCE

Web Developer Intern :-

Education 4 Ol Powered by UpClick Labs

📅 March 2022 – May 2022 📍 Pune, India

- Education 4 ol is the organization which is trying to help the poor and needy ones to gain free education with the help of technology like social media and our own developed app called Eduol App.
- Worked with a team of highly motivated web developers.

Machine Learning Intern :-

SYNC INTERN'S

📅 Jan 2023 – Feb 2023

- Sync Intern's is an organization that helps the needy student by giving internship into their related fields and domain. This internship will embrace orientation and give emphasis on learning new skills with a deeper understanding of concepts through hands-on application of the knowledge student gained as an intern.
- I have work on a project to create a Boston house price prediction.

PROJECTS

MoodVise - Movie Recommendation System

- This web app let the user to watch the reviews of movies as per their interest like similar actors, directors and genres like comedy, thriller, and action.
- Build on Jupiter platform with Html, Css and Bootstrap for frontend and for backend Python was used.
- TMDB API was called in the backend for getting the database of movies after getting movies data preprocessing was done on the datasets.

My Portfolio – Know more about me

- This is my online portfolio which is built, using HTML, CSS, Bootstrap and also JS.
